The second general membership meeting commenced at 6:05 pm by President Lora Caudill.

The general membership were asked to identify themselves by raising their hands. More than ten members were present for the meeting.

It was announced that the goal of 300 members had been met and it was expected that the membership total for the year would exceed 350 members. It was also announced that our school had 100% membership by faculty and staff and that our ratio of membership to student enrollment was around 28%, which is very good.

The members of the Bylaw Committee were announced along with their decision. The members were: Danielle Kessenger, Laurie Kopstad and Seth Happel. They reviewed the Bylaws currently in place and offered no changes or updates.

The general membership approved the committee's review and accepted the 2016 Bylaws by a show of hands.

Members were reminded that PTSA College Scholarships are available by application by the member students on National, State, District and Local levels. The local awards will be a minimum of \$250.00 per student with a maximum of six students receiving the award.

The meeting was adjourned by President Lora Caudill at 6:10 pm
